

To our valued international members,

Thank you for using the Ice College online course.

We have an important update regarding our service.

Due to resource constraints, we will no longer provide English audio and subtitles for our content videos. From now on, all videos will be in Japanese only (without subtitles).

We apologize for any inconvenience this may cause and appreciate your understanding.

Please note that we will continue to offer video analysis and individual consulting services.

Thank you for your continued support.

Sincerely, Ryouzuke Kitahara Director, Ice College
